

SAVE UP TO \$2,000 WITH THE

FEDERAL BIOMASS STOVE TAX CREDIT!

UPGRADE YOUR HOMES HEATING AND GET REWARDED!

WHATS QUALIFIES

- ✓ EPA-Certified Stove with 75% HHV efficiency or higher
- ✓ Listed in the EPA Wood Heater Database
- ✓ Installed in your primary residence

CAN I INSTALL IT MYSELF

YES YOU CAN:

- Claim the cost of the stove & materials (chimney, hearth, pad, etc.)
- You cannot claim your own labor - only professional installation labor qualifies for the tax-credit

WHAT YOU'LL NEED TO MAKE A CLAIM:

-  IRS Form 5695 when filing your taxes
-  Receipts for stove and materials
-  Manufacturer's Certification Statement (*Required for 2025*)
-  Product Identification Number (PIN) (*Required for 2025*)
